Parental Involvement Policy

Parents are seen as the first educators of their children. The aim of the Pre-School is to support their essential work, and to build on what their children already know on arrival at Pre-School. We will:

- Induction procedure that enlightens and describes our systems, policies and procedures.
- Invite parents of new children to familiarise themselves with the Pre-School by induction visits to sessions, contact via email and parent forum groups. We also have a virtual tour on social media.
- Encourage parents on an individual basis to play an active part in the management of the Pre-School.
- Ensure that parents are informed on a regular basis about their child's progress, and value their input.
- Offer all parents the opportunity to contribute from their own skills, knowledge and interests to the activities of the Pre-School.
- Inform all parents about meetings, conferences, workshops and training.
- Hold meetings in venues, which are accessible and appropriate for all.
- Hold regular Parents' Evenings and fire gatherings providing an opportunity for parents to become involved and see first hand the skills their child learns on Forest School.
- Provide daily logs and information on their child's development daily.
