Student Work Experience Placement Policy

We recognise that the quality and variety of work which goes on in a pre-school makes it an ideal place for students on placement from school and college childcare courses, as well as those on the Diploma in Pre-School Practice, Tutor Fieldworker courses, or the NVQ II/III Early Years Care and Education.

Students are welcomed into Pre-School on the following conditions:

- The needs of the children are paramount. Students will not be admitted in numbers which hinder the essential work of the Pre-School.
- Students must be confirmed by their tutor as being engaged in a bona fide childcare course which provides the necessary background understanding of children's development and activities.
- Students required to conduct child studies will obtain written permission from the parents of the child to be studied.
- Any information gained by the students about the children, families or other adults in the Pre-School must remain confidential.
- Unless registered as 'fit persons', students will not have registered access to children.
